

SAI Members Profile Information Update

As a member of the SAI, you can update your profile information and gallery images at any time. All you have to do is complete the form found at: sai.org.uk/profile-update-request

This form is only accessible by full SAI members, so if you do not have access to it, please contact the SAI.

The form will allow you to update almost all the information found on your personal profile page, as well as upload any new image files (a maximum of 12) that you want to use in your image gallery.

If you are a newly accepted member to the SAI, you can use the form to send us any additional images you wish to add to your new members page, there is no need to fill out the form again (other than the 'Required' information items).

When uploading new images, if you have a preferred image you would like to use as your hero/main image please mark it with '_hero' or '_main' in the file name.

The screenshot shows the SAI website profile page for Philip Ashenden, MSAI. The page layout includes a navigation bar at the top with links for Home, Find an Illustrator, Seminars, Videos, About, Join, The Book, and Contact. The main content area features a large hero image of a residential development (labeled 10), a contact section with phone number 01394 788760 and email philip@ashendenarchitectureltd.co.uk (labeled 3, 4, 5), a bio section (labeled 6), and two columns for Disciplines and Media (labeled 7, 8). The Disciplines list includes Illustrator, 2D Plans & Elevations, and Exteriors. The Media list includes Marker, Pen & Ink and Digital 3D. Below this is an 'Examples of Work' gallery with 12 image thumbnails (labeled 9). The footer contains copyright information for the Society of Architectural Illustrators (SAI), 2024, and social media icons for Facebook, Twitter, and LinkedIn.
